Beloved friends and family,

As I write this letter, I am praying that the love and joy that comes from God will fill your heart to overflowing.

"Evangelism By Fire" Class at FIRE School of Ministry

In the month of September I started teaching a class at FIRE School of Ministry titled "Evangelism By Fire". God's grace has been with me as I teach on the qualities of an effective Soul Winner and impart God's heart for the lost. It is so encouraging to see the students impacted, not only in the class, but also as I get to spend time with them in prayer meetings, on the streets evangelizing, and spending personal time with them. This season of imparting to young disciples has also been transforming for me, as I see God maturing me and increasing my level of influence for His Kingdom.

Outreach to Muslims on Capitol Hill

God is enlarging our heart and vision to reach the Muslim world. Carol & I know that in the near future we will be going to Muslim countries, but we do not have to wait for that. Over 8 million Muslims are here in the U.S. In September Muslim leaders organized a day of Muslim unity and prayer right on Capitol Hill in Washington, D.C. They advertised using words like: "Our Time Has Come" and "Islam will shine through America's Capitol". They anticipated 50,000 Muslims to show up. As soon as I heard of this, in prayer God gave me strategies on reaching them at the event. The strategy was to go to them with love, show them value and put the DVD "More Than Dreams" (testimonies of Muslims getting saved by Jesus visiting them in dreams) in their hands to take home with them. In just a few days, God brought a team of 23 people from FIRE Church together. God connected me with two ministries who donated over 1500 DVDs to give to Muslims on that day. People from different states started praying for us and for our outreach to Muslims to have a maximum impact for the glory of God!

Testimonies

Only 3000 Muslims showed up in DC. For some reason they did not unify like they hoped to. The news media barely covered it. I believe it was a result of Christians praying & fasting! We gave out over 1200 DVDs which means more than 1 out of 3 took that powerful DVD to a Muslim home. Prayers were answered! We were able to touch many Muslims in different ways. One of them having pain in his knee and using a walking stick got prayed for by one of the team members. After being prayed for, God healed him on the spot. We know that the impact done on these Muslims was more than we could see. You can see a more detailed report by going to our web site: www.FreedomToCaptives.com.

More opportunities are rising to reach Muslims even as I write this letter. We look forward to next month's newsletter to share more testimonies with you of what God is doing as we step out in this harvest field.

A big THANK YOU to all of you who partner with us as we reach the lost of this generation.

With Love from, Fabian, Carol, Micah & Evangeline.
